Please read carefully

1: The loaner radio type is determined by the radio serial number and pump serial number fields above. The radio serial number referenced must be the radio that will be coming in for repair. Both serial numbers are preferred. The radio serial number is required. The radio ser# listed must be the radio sent in for repair.

2: A deposit of \$6000.00 will be charged upon the loan of this radio. In addition, Shipping and Handling charges will be added to the invoice and are the customer's responsibility.

If the loaner radio is subsequently returned to Putzmeister, the payee will get credit from the loaner deposit invoice. We will rebill payee the loaner fee of \$300.00 plus shipping and any other fees that may apply. The \$300.00 loan fee is waived when radio is loaned for use during a warranty repair.

The cost associated with any damage to the loaner radio will be subtracted from the deposit credit, issued upon the loaner radios return. If there are any individual components lost, the cost of each item missing will be subtracted from the credit of the deposit upon return of the loaner radio. If all items lost, the deposit covers full loss.

The radio is expected to be returned no more than 30 days after quote is supplied, repair is returned, or if no radio was sent. If loaner is kept more than 120 days after the repair is returned, or quote provided for repair radio, or repair not sent in, it will be assumed that you wish to purchase the loaner radio and ownership of the loaner radio will be transferred to your Company. If the loaner radio is returned after this transfer, an additional \$500.00 will be deducted from the deposit credit to pay for documentation and wear and tear.

3: A cleaning charge of \$50.00 will be deducted from deposit credit of loaner radio is returned with excessive concrete buildup caused by abuse and mishandling.

4: Return shipping to Putzmeister is the responsibility of the customer.

5: By signing this form you are agreeing to all terms as stated. A signature is required in order to loan a radio.
